### Eligibility

Any individual high school age student may enter up to two pieces. Teachers entering a group of students are asked to prescreen the work sending only those pieces considered of quality to display. Submissions may be further screened by CAC staff along guidelines of quality befitting a professional gallery and due to space limitations. Submissions may include any 2-D or 3-D fine art or fine craft. 2-D work must be ready for hanging, preferably framed with wire on back. Matted work is acceptable, but less desirable. There are a number of pedestals of various sizes available for 3-D work. Work must be hand-delivered to Gallery 3R on the 3<sup>rd</sup> floor of the Contemporary Art Center during times specified on calendar or at other times by appointment. Jury is by actual works only. **No entries will be accepted for jurying without the following for each piece: entry fee of one dollar, completed entry form & entry tag secured attached to each piece. This form may be duplicated.** All entries must have either a price or insurance value for those items not for sale (marked NFS). Value may not exceed \$500.00. We prefer to show art that is for sale. Sales are encouraged. CAC receives 30% commission. If an artist does not desire to sell the piece, write NFS on the tag rather than inflating the price.

### Insurance and Liability

Upon receipt at CAC, entries will be insured for 70% of declared value for work not accepted for exhibit until April 15, 2017 and for work exhibited until May 4, 2017. The CAC staff and board of directors assume no responsibility for entries left after these dates, or for any loss or damage incurred in handling prior to receipt. Entries not picked up after May 4 will be disposed of at the discretion of CAC staff.

### Juror

A qualified juror, typically a retired High School teacher, will select the final entries to be exhibited and designate the awards of merit. The top honor will be a CAC class scholarship for a CAC class worth up to \$110.00 in value. Prizes are not redeemable for cash and must be used within one year after receiving.
